About Nationwide

Nationwide Maintenance has been in business for over 30 years. Marcie Manfredonia founded what once was a small awning cleaning company run directly out of her home office. Through the years, **Nationwide Maintenance** has grown into a full service facility maintenance and construction company. We are a privately owned and operated WBE enterprise, certified with the School Construction Authority, SBA, City & State as well as the Transit Authority. Our firm services highly recognized companies such as; Macys, Bloomingdales, CVS, USPS, Lord & Taylor and many more fine corporations. **Nationwide Maintenance** strives to be an ever evolving company that services all of your needs. No job will ever be overlooked!

We service the entire Tri-State areas; Manhattan, Staten Island, Queens, Bronx and. Also we service all of Long Island, both Nassau and Suffolk County. Nationwide Maintenance has been providing reliable **facility maintenance, construction services, handyman** and **pressure washing** with exceptional service. Our number one priority is client satisfaction! All work will be performed in-house. For you, this means that work will be
