

Our Story & Why Us

Nationwide Maintenance has been in business for over 30 years. Marcie Manfredonia founded what once was a small awning cleaning company run directly out of her home. Through the years, Nationwide Maintenance has grown into a full-service facility maintenance and construction company. We are a privately owned and operated WBE enterprise. Our firm services highly recognized companies such as; Macy's, Bloomingdales, CVS, USPS, and many more fine corporations as well as residential. Nationwide Maintenance strives to be an ever-evolving company that services all of your needs. No job will ever be overlooked!

We service the entire Tri-State area including Manhattan, Queens, and Bronx. We also service all of Long Island, Nassau, and Suffolk County. Nationwide Maintenance has been providing reliable facility maintenance, construction services, handyman, and pressure washing with exceptional residential services. Our number one priority is client satisfaction! All work will be performed in-house. For you, this means that work will be finished in a timely manner and will be more cost-effective.

Nationwide Maintenance has grown into a diversified business, offering a wide array of services to our clients. Instead of calling several different vendors for what you need, you can come to Nationwide Maintenance for all of your General Contracting & Maintenance needs. Nationwide Maintenance provides 24-hour emergency service.
